Subject: Executive Management Seminar on Industrial Application of Gamma Radiation in Bangladesh, 11 December, 2011 at AERE, Savar.

Dear Sir,

We are glad to inform you that Bangladesh Atomic Energy Commission (BAEC) has setup a Gamma Radiation Plant named **GAMMA BIKIRON** which is comprised of large scale irradiation facilities and is designed for commercial purposes.

Gamma irradiation is a very potent, easy and cost effective technique for sterilization and decontamination of pharmaceutical products, quality and shelf life increase of food and beverage.

Prof. Dr. Naiyyum Choudhury (Ex-Chairman, BAEC & Professor, BRAC University) will deliver theme lecture in the above mentioned seminar.

You are cordially invited to participate in the seminar. Please nominate one executive personnel for morning (opening) session (registration form enclosed) and nominate one/two person(s) for both morning & afternoon (technical) session. Detail program schedule will be supplied after your confirmation via email (gb.irpt@gmail.com).

Deadline of registration through email is 1st December, 2011.

We are expecting your kind participation and collaboration.

With best regards

Dr. Mubarak Ahmad Khan
Chief Scientific Officer, BAEC
Member Secretary, Organizing Committee
